NAPA VALLEY

# VINEYARD NOTES

## D'Adamo Vineyard

In 1982 we leased and planted the D'Adamo property on the foothills at the base of Atlas Peak, Northeast of Napa. With the vineyard planted across the different contours of the foothills there are varying exposures from South to southwest, it is planted to 100% Cabernet Sauvignon. The vineyard is farmed sustainably, and you can see houses for owls and raptors from its position above the Silverado Trail. The vineyard is planted with a soil building cover crop of Bell Beans, Vetch and Barley. Our first release from D'Adamo was the 2004 vintage.

**History of Vineyard:** Leased by Piña family in 1982

**Appellation:** Napa Valley

**Acreage:** 9.18 acres

**Replanted:** 1995

**Vines:** 8,374 vines

**Spacing:** 6x8

**Clones:** 4 & 8

**Rootstock:** 110R, 1103 & 44-53

**Aspect:** South

**Soil description:** Haire Series on 2 to 9% slope, in clay loam

**Soils:** Stony limited depth

**Slopes:** 5 to 20%
